Russell Westbrook Notches Double-Double Versus Atlanta

31/12/2022

Los Angeles Lakers guard Russell Westbrook finished with a double-double in Friday's win over Atlanta. The former MVP amassed 14 points, going 6-for-12 from the field while adding 11 rebounds, one steal, and one block. As usual, Westbrook came off the bench. However, he still logged nearly 30 minutes of work, more than some starters around the National Basketball Association. Although the veteran's poor shooting performances make him less desirable for category managers, he offers plenty in other statistical categories to remain a starting option in all fantasy formats.

Thomas Bryant Has A Big Night Against Atlanta

31/12/2022

Los Angeles Lakers center Thomas Bryant played well in Friday's win over the Atlanta Hawks. The big man helped LeBron James celebrate his birthday by amassing a double-double, courtesy of a 19-point, 17-rebound effort. Anthony Davis (foot) is out for the foreseeable future, meaning Bryant should continue to fill his spot in the lineup. He is averaging 13.6 points and 7.6 boards in nine starts this season, so he offers value for managers in all fantasy formats, at least until Davis returns and gets back to 100%.

LeBron James Scores 47 Points On His Birthday

31/12/2022

Los Angeles Lakers forward LeBron James celebrated his 38th birthday by scoring 47 points in Friday's win over the Hawks. He looked good, going 18-for-27 from the field and 4-for-6 from downtown while adding 10 boards, nine assists, and a block. The multi-time All-Star did have five turnovers. However, that's not surprising, considering how much he touched the ball. James has battled an ankle issue for most of the season, so he should continue to get routine time off moving ahead. The Lakers will close out a five-game road trip against the Hornets on Monday, with James amassing 34 points and eight assists while sinking 50% of his tries from deep versus Charlotte just over a week ago. Fantasy managers should keep him starting, although that's a no-brainer.

Lonnie Walker IV Ruled Out Friday, Austin Reaves To Start

31/12/2022

Los Angeles Lakers shooting guard/small forward Lonnie Walker IV (tailbone) will miss Friday's contest against the Hawks, allowing Austin Reaves to step into the starting five. Walker had found his offensive rhythm prior to going down, drilling multiple triples in six straight outings prior to injury. While Reaves is coming off a scoreless performance Wednesday, he will likely see significant last-minute DFS appeal due to the 13.4 PPG he has averaged across 10 starts this year. Juan Toscano-Anderson also stands to see additional minutes without Walker in the mix, but L.A. will have to get creative offensively to make up for his 14.7 points per contest average.
