LeBron James Will Start Wednesday Despite Questionable Tag

29/12/2022

Los Angeles Lakers guard/forward LeBron James (ankle) will play Wednesday against the Miami Heat. There were some rumblings of James sitting at least one of this back-to-back set, but the veteran star will play against his former team on Wednesday. James has been dealing with lingering ankle soreness, but has not affected his play. With Anthony Davis (foot) out indefinitely, James remains the focal point of the offense and should continue his stellar run.

LeBron James Considered Questionable Wednesday

28/12/2022

Los Angeles Lakers forward LeBron James (ankle) is questionable for Wednesday's matchup against Miami. He's been dealing with a sore left ankle for a while and might take the night off as the team completes a back-to-back set. LeBron led the troops with 28 points in Tuesday's 129-110 victory over the Magic. He also missed the second leg of a back-to-back last week and Dennis Schroder had a big game in his absence with 30 points against Phoenix. Russell Westbrook is also set to get a usage bump if James sits out Wednesday. The former MVP has looked great lately and even posted his third triple-double of the campaign Tuesday.

Dennis Schroder Expected To Play Against The Magic

27/12/2022

Los Angeles Lakers guard Dennis Schroder (foot) is expected to play on Tuesday night in Orlando. The veteran is dealing with left foot soreness, although it shouldn't be a cause for alarm. In Schroder's 16 starts this season, he has averaged 11.5 points, 4.2 assists, and 2.4 rebounds in 28.5 minutes. With Anthony Davis (foot) out indefinitely, Schroder should continue to benefit offensively, keeping him classified as a must-start fantasy option versus the Magic.

LeBron James Probable Against Orlando

27/12/2022

Los Angeles Lakers forward LeBron James (ankle) is probable for Tuesday's meeting with Orlando. The King has been in and out of the lineup all season because of left ankle soreness, so his presence on the injury report is nothing new. James logged 34 minutes during the Christmas Day loss to Dallas, finishing with 38 points. Los Angeles will play the first of back-to-back contests on Tuesday as part of a four-game road trip. As a result, James may get a night off at some point moving ahead. At the very least, he could see a reduction in minutes if any of the team's upcoming games get out of hand, something for DFS participants to consider.
